

Lawn Party 2010

Bishop Peter J. Uglietto Society

**Bishop-Elect
Peter J. Uglietto**

Bishop-Elect Peter J. Uglietto has chosen as his motto: “Lord, Guide Our Steps”. This motto, in fact, has guided and inspired his work at the Seminary beginning with his initial assignment in 1990 as professor of moral theology and progressing to Director of Field Education, Academic Dean and to Rector-President in 2005.

As he assumes his new duties as Bishop of the North Region of Boston, it is appropriate that we commemorate his twenty years of dedicated service to Blessed John XXIII Seminary. **Please consider continuing his work by sponsoring the Bishop Peter J. Uglietto Society for the Lawn Party on September 22, 2010.** The Society will further the mission of the seminary by providing tuition assistance for seminarians.

Sponsorship of the Bishop Peter Uglietto Society (\$15,000) may come as an individual contribution, collectively through a group donation or even funded with a corporate match.

The Society sponsorships will be announced at the Lawn Party and will also include a memorable private dinner (date tbd) with Bishop Uglietto and Father Palardy—the past and current Rectors of Blessed John.
